Dear Parents and Carers,

Welcome to Week 3 everyone.

STORM DAMAGE

I hope that you have all made it through the storms without too much damage to your homes and it is fabulous to see everything looking fresh and green again after months of drought. Following the storm we have had some cleaning up and repairs needed around the school and I wanted to thank you for accommodating the changes to school entry points over the last two mornings. Everything has returned to normal here now and the Blytheswood Avenue gate into the K-2 campus has been reopened.

SWIMMING CARNIVAL

Tomorrow, we are holding our 2020 Swimming Carnival at Pymble Ladies College Pool for students in Years 3-6 and those Year 2 students who turn 8 this year. This is always an enjoyable day and I look forward to seeing many of you there cheering on the competitors. Good luck to everyone.

MEET THE TEACHER EVENING

On Tuesday, 18 February we will be holding our annual Meet the Teacher Evening. The K-2 classrooms will be open from 6:00-6:30pm and the Years 3-6 classrooms from 6:45-7:15pm. The teachers are looking forward to telling you about their plans for their classes this year. These sessions are designed to provide information about the class program and weekly routines but unfortunately do not allow time for personal parent teacher interviews. If there are personal issues that you would like to discuss with the teacher please don't hesitate to make an appointment for another time. **It is recommended that children do not accompany you for this visit as there will be no supervision by staff in the playground. Any children in attendance will need to remain with their parent or carer inside the classroom at all times.** Please see the school map on page 3 of this newsletter, so you are able to locate your child's class easily.

SCHOOL APP

This term we have sent out several messages containing important information via the school app. If you have not downloaded the Warrawee school app please do so (<https://warrawee-p.schools.nsw.gov.au/newsletter.html>) as it is a fabulous way for us to communicate with you all at short notice. Remember to 'check' the boxes for the "Newsletters" tab and your child(ren)'s class tab.

NEW STAFF

This year we have several staff changes to report. We welcome Ms Emily Pickles, Mr Peter Blair, Ms Emma Briggs, Mrs Catriona Gore and next week Ms Ailsa Ritchie-Dibbs to our school. We look forward to welcoming these new teachers to the Warrawee school community. I am confident that 2020 will be another great year for our school community and I look forward to working with you all again.

Kind regards,

Carrie Robertson
Principal

SPORT NEWS

SWIMMING CARNIVAL

We are looking forward to our carnival **tomorrow**. Buses will be leaving at 9am promptly in readiness for our big day. Thank you to everyone who has returned their swimming permission notes.

Please know that all races will start once all classes are at the pool. There will be no early races. All participating children should be in swimming costumes and have a swimming cap ready to swim when their races are called. All children have been pre-entered into races. House coloured shirts make it a lot of fun. We look forward to everyone having a great carnival.

Thank you to all the parents who have volunteered to assist. Notes went out yesterday to children of those offering to help with further information.

HORNSBY ZONE PSSA SUMMER COMPETITION

Summer PSSA begins this Friday.

Sport for all children in Years 3-6 will occur on Fridays in the morning session. Children selected into the PSSA teams will receive an orange permission note and a code of conduct. Due to the close turn-around of this event we ask that your child/children hand in the permission note to the coaches and the money clearly labelled to the office if not paying on-line. In order to play the permission note will have had to be given to the coach.

League Tag teams will always travel to Foxglove Oval, Mt Colah. The draw for cricket, softball and t'ball is below. We wish our teams all the very best for their new season.

CURRENT CORONAVIRUS UPDATE

Current advice from the NSW Government for parents and affected staff is:

- Any student or staff member who has been in, or transited through, mainland China (not just Hubei province) **on or after 1 February** is excluded from school or child care services for 14 days from the date they left mainland China (as the novel coronavirus' incubation period can be as long as two weeks).
- Any confirmed case of novel coronavirus will be excluded until they are medically cleared to return.
- Close contact of a confirmed case of novel coronavirus will be excluded for 14 days since last contact with the confirmed case.
- For visitors to China **prior to 1 February**, the previous advice remains that any student or staff member who has visited Hubei province is excluded from school or child care services for 14 days from the date of their departure, and anyone who was in the **rest of China** is requested not to attend school or child care services for a period of 14 days after the date of their departure.

More information can be found at [NSW Health External link](#).

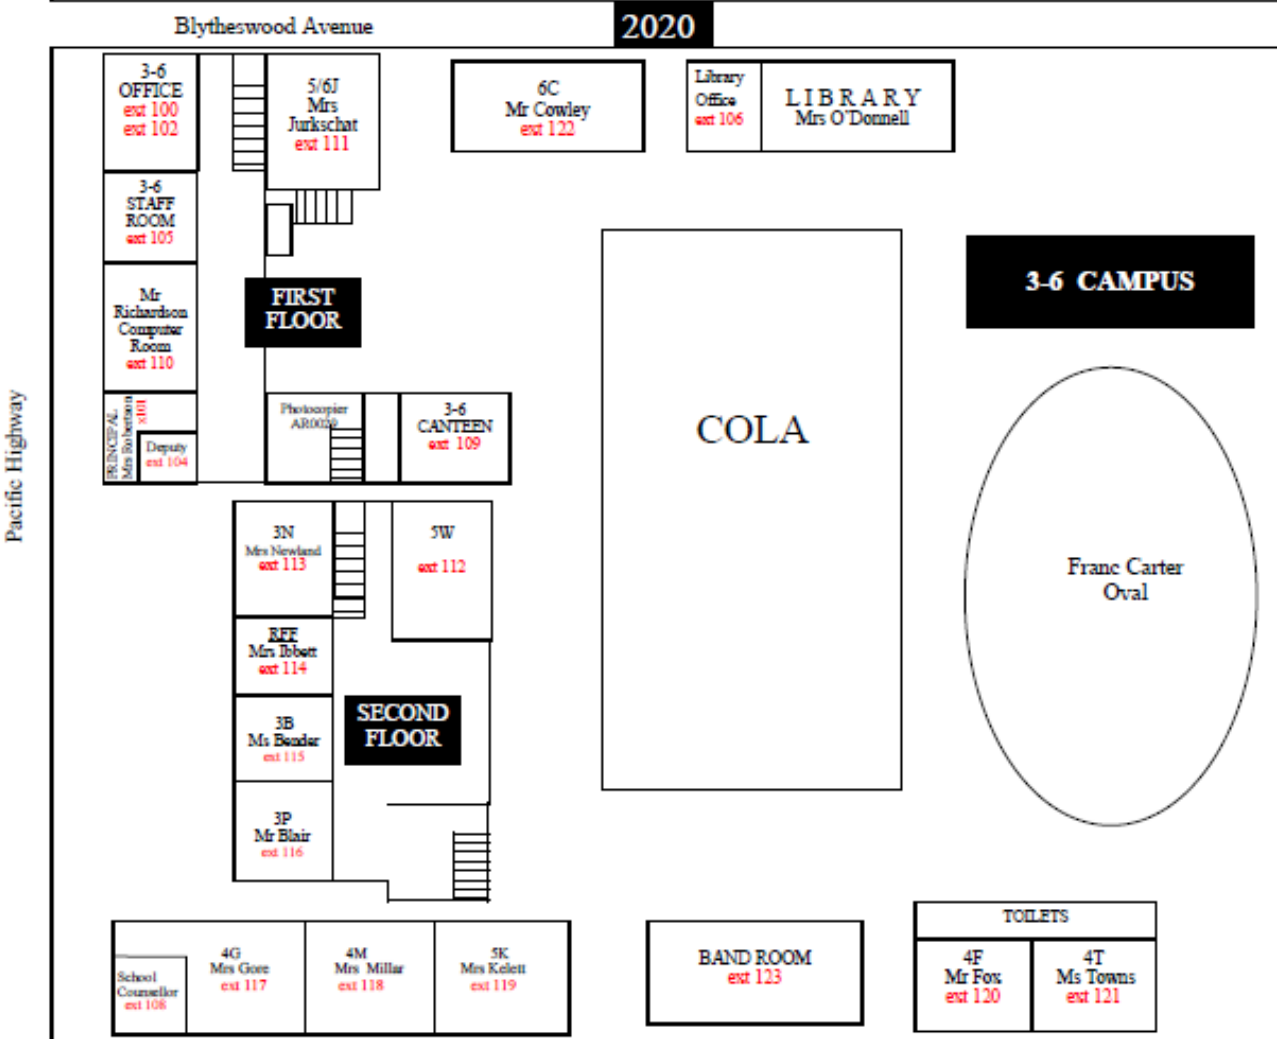

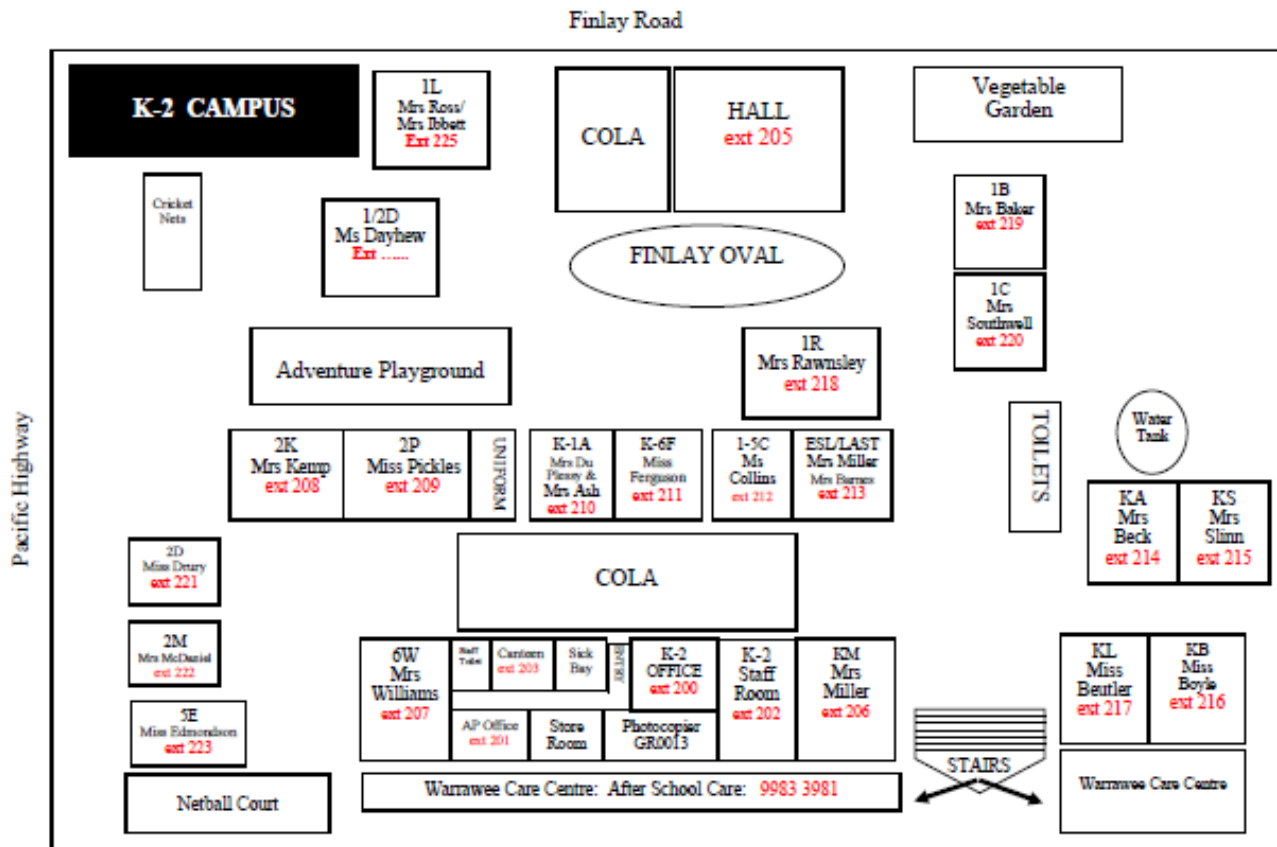

Students who returned to Australia from mainland China more than 14 days ago and have shown no symptoms are able to return to school.

The Ministry of Health has processes in place to identify any close contacts of cases confirmed in Australia. Advice about not attending school would be provided to these close contacts by the Ministry of Health.

There has been a small number of confirmed cases of novel coronavirus in NSW.

Consistent with current guidelines, staff and students who are unwell with respiratory illness should remain at home until symptoms resolve. In accordance with our current practice if any child becomes unwell we will implement our infection control guidelines and follow the advice provided by the Ministry of Health as appropriate.

The Department of Education will continue to work with the Ministry of Health to monitor and respond to the unfolding international novel coronavirus situation.

P&C NEWS - "CONNECTING OUR COMMUNITY" - 11th FEBRUARY 2020

Hi Everyone,

On behalf of the Warrawee Public School P&C Association, welcome back to a new school year. A special welcome to all the students and their families who are new to Warrawee Public School in 2020. Warrawee Public School has a proud tradition of being a very caring, supportive and social school and we very pleased to welcome you to our vibrant school community.

We would also like to wish all our Warrawee families well who have recently been enjoying lunar new year celebrations and welcoming in the Year of the Rat.

We are looking forward to another great year and wanted to take the opportunity at the beginning of the school year to give you a brief overview of the P&C and what we are planning this year in the P&C newsletter that was emailed out via class lists last Friday. During the year, you can find our regular P&C news in every edition of the school newsletter the Warraweekly and on the website.

This year our focus is on 'connecting our community' through events and initiatives as we work to bring our community closer together – staff, students, parents, carers and the broader community in which we live.

I would like to encourage everyone to connect with and contribute to our community in whatever capacity you can – whether through becoming a class parent, participating in discussions about our school at P&C meetings, volunteering to help at one of our many events, becoming a P&C member or taking on a P&C position or perhaps by showing your support by making a P&C voluntary contribution.

It was great to see so many new people come along to our first P&C meeting last night – we covered a lot of ground, everything from our 2020 budget to our guest speaker Tina C from Lindfield Public School P&C talking about why they decided to employ a P&C business manager and lots more. We hope to see you at our next meeting on 23 March – our AGM.

Whatever contribution you choose to make, it benefits all our children and is so rewarding personally.

Thank you for supporting our school - we are looking forward to a wonderful 2020 school year together.

Sally Bayley
president@wpspandc.org

All families are required to complete this short form as soon as possible.

STAGE BAND AND CHAMBER ENSEMBLE

Stage Band and Chamber Ensemble rehearsals will start in week 4. Auditions are being held this week. class parents: a great way to get involved!

Be a class parent!
It's easy and FUN!

What's a class parent?

A class parent is the main point of contact between teachers and parents, they help distribute P&C and school information and help maintain/distribute their class list. They also organise class social events, teacher birthday/end of year gift and help coordinate volunteers for their Year Group fundraising/social event.

We look for 1 to 2 parents per class at the beginning of the year to take on this important and fulfilling role.

If this is you, email our class parent coordinator by **14 February** to put your name down for your class!

*** We need you!**

Remember, a P&C Student Details form needs to be completed for all new students to Warrawee in 2020 if you would like to be included on your child's P&C class list. Forms are available from the school offices, the P&C section of the website or by emailing classparent@wpspendc.org
