

Stationery and Supplies List for Stage 3 (Years 5 & 6) 2022

Following is a list of stationery and equipment items that we would like each child to have as we feel that they are vital for everyday lessons. We would further like to request that you purchase quality items as they last longer. Please label all items clearly.

Item	✓	Item	✓
4 x HB pencils		1 ream of "Reflex" paper	
1 x B pencil		1 pair of scissors	
2 x erasers		1 packet of antibacterial wet wipes	
5 x glue sticks		1 roll of paper towel	
Sharpener		4 highlighters	
USB		8 x blue ball point pens	
2 x 30cm ruler		4 x black "Sharpie" pens	
4 x A4 display folders (for library, school magazines etc)		2 x 0.4 black art line pen	
4 X A4 Plastic envelopes		4 x red ball point pen	
1 pkt coloured pencils		Compass – metal one (plastic ones do not work well enough!)	
1 pkt textas		protractor	
1 pkt (6) whiteboard markers		Calculator	
Art shirt (optional- old business shirts are fantastic)			

We would request that the main requirements such as pens, pencils, sharpeners etc. be placed in a **small** pencil case which can fit easily on the desk. Textas and other items used less frequently may be placed in a second pencil case that can be kept under the desk or in a tote tray.

You may also wish to keep some of the pens, pencils and glue-sticks at home as spares, so they can be brought in when replacements are needed. This avoids students having too many things in their pencil cases and losing things before they are needed.

Thank you,

Stage 3 teachers
